

# 4<sup>th</sup> Annual Take a Bite Out of Cancer 5K Race and 1 Mile Fun Run

**Sunday, October 13, 2024 - 9:00 a.m.**  
**Peace Valley Park, Doylestown, PA**

The “Take A Bite Out of Cancer” Run is an annual fundraising event for the LC<sup>2</sup> Foundation. The Larry & Cathy Scheetz Lung Cancer Foundation (LC<sup>2</sup> Foundation) was established in honor of Larry & Cathy Scheetz, who both passed away from lung cancer that could have been prevented with proper medical screening and early detection protocols. The LC<sup>2</sup> Foundation is a 501(c)(3) non-profit charitable organization.

The purpose of this race is to raise awareness about the importance of early detection for all forms of cancer, celebrate survivors, as well as those who have lost their lives to cancer, and to raise donations to help local families struggling with the financial burdens associated with fighting this disease.
